

## Peace processes and negotiations in 2019

With the support of:

There was significant progress in

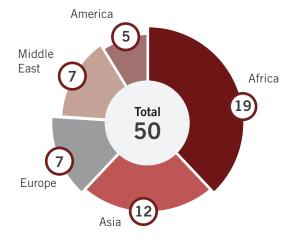

Five new negotiation and dialogue initiatives were identified in 2019: Cameroon, Haiti, Papua New Guinea and exploratory initiatives in Iraq and Iran

X

During 2019 significant agreements were reached in Cameroon, Ethiopia (Ogaden), Ethiopia (Oromia), Mozambique, CAR, Sudan, Sudan – South Sudan and Yemen

## Regional distribution of peace negotiations

Women continued to face difficulties and obstacles for their meaningful participating in formal peace processes and the integration of a gender perspective in negotiations, despite advances such as in Afghanistan and Papua New Guinea

80% of peace processes and negotiations revealed the involvement of third parties

African Republic was reached

between the country's authorities

and 14 armed groups

■ Truces, ceasefires and cessation of hostilities

al-Bashir, gave new

impetus to the peace

processes in Darfur,

South Kordofan and Blue Nile

- Disarmament, demobilisation and reintegration of combatants
- Status of disputed territories and recognition of minority identities
- Political power-sharing
